

# All I Need

Amerie

In my heart, you're all I need  
You're all I need  
Need, need, need, need, need I feel like you're the only one  
I feel what pain you kept me from  
I feel so different from the way I used to be  
Soul searchin' always my excuse  
Didn't wanna face love, didn't know the truth  
So clear to me now, babe 'Cause in my heart  
You're all I need, you are all I need  
You're all I need, need  
You're all that I need I feel like you're the only one  
I feel this loneliness undone  
And I just can't see myself without me in your arms  
If I had one last sunset to see  
One day, one last deep breath to breathe  
No tears would fall, knowing that you're all I need You're all I need, you're all I need  
You're all I need, you're all I need  
You're all I need, you're all I need  
You're all I need, need You're all I need, you're all I need  
You're all I need, you're all I need  
You're all I need, you're all I need  
You're all I need, need Need, need, need, need You're all I need, you're all I need  
You're all I need, need  
You're all I need, you're all I need  
You're all I need, need  
You're all I need, you're all I need  
You're all I need, need
