

# These Are The Days

[Jamie Cullum](#)

These are the days that I've been missing  
Give me the taste  
Give me the joy of summer wine  
These are the days that bring new meaning  
I feel the stillness of the sun  
And I feel fine. Sometimes when the nights are closing early  
I remember you and I start to smile  
Even though now you don't want to know me  
I get on by, and I go the extra mile. These are the times of love and meaning  
Ice of the heart melted away and found the light  
These are the days of endless dreaming  
Troubles of life are floating away like a bird in flight. These are the days that I've been missing  
Give me the taste give me the joy of summer wine  
These are the days that bring new meaning  
I feel the stillness of the sun and I feel fine
