

Northern girl

Three Star Hotel

Grew up drivin' on black ice
Spinnin' in circles under Northern lights
Laughter steamin', small town dreamin'
Digging tunnels in the deep snow
Sheltered from the shiver of a ten below
And I'm right at home I'm a Northern girl, wild and free
I've got four strong winds to carry me
I've been East to West and all around the world
But I'll always be a Northern girl Little cottage on a big lake
Sunshine would be a shame to waste
Warm days won't last - come and go fast
Bonfire in the moonlight
People I've known all of my life
That's where I belong I'm a Northern girl, wild and free
I've got four strong winds to carry me
I've been East to West and all around the world
But I'll always be a Northern girl Where I come from
What I'm made of
Where I wanna be
You can take me out of there
But you can't take it out of me Northern girl, wild and free
I've got four strong winds to carry me
I've been East to West and all around the world
But I'll always be a Northern girl I'm a Northern girl
True North, strong and free
Carry me
I'm a Northern girl
