Wrapped In the Arms of Another

Susan Tedeschi

Hey where have you been hiding
In a land far away
Oh I can't stay away
But you're wrapped in the arms of anotherAll my life I've been searching for someone
Someone who's true
Someone just like you
But I'm lost looking in the haze
I can't make it past this stage
While you're wrapped in the arms of another, anotherOh it tears me up inside
And I know in my heart
That you were meant for me
And if we're meant to be then it will be
If we're meant to be then it will beHey where have you been hiding
You're so beautiful and free
Oh why can't our love be
I guess it's cause you're still
Wrapped in the arms of anotherOh it tears me up inside
cause i know in my heart
That you were meant for me
And if we're meant to be then it will be
If we're meant to be then it will be
