Cat Power

It's my way
It's my way
It's my way
It's my way
It's my way
It's my way...Never knew love like this
The wind, moon,
the earth, the sky
Sky so high
Never knew pain like this
Everything die
Then die
Never knew love like this
The sun, the sea and I
Never knew pain
Never knew shame
Now I know whyBury me, marry me to the sky
Bury me, marry me to the sky
Bury me, marry me to the sky
Bury me, marry me to the skyFeels like time is on my time
Bury me upside down
Cherokee
Kissing me
When Im
Im going down
Feels like time is on my time
Bury me upside down
Cherokee
Kissing me
When Im
Im going downNever knew love like this
The wind, moon
the earth, the sky
Sky so high
Never knew pain like this
Everything die
Then die
Never knew love like this
The sun, the sea and I

Never knew pain
Never knew shame
Now I know why Bury me, marry me to the sky
Bury me, marry me to the sky
Bury me, marry me to the sky
Bury me, marry me to the sky Feels like time is on my time
Bury me upside down
Cherokee
Kissing me
When Im
Im going down
Feels like time is on my time
Bury me upside down
Cherokee
Kissing me
When Im
Im going down Feels like time is on my side
Bury me upside down, down
Cherokee, kissing me
When Im, Im going down
