

When You Were Mine (feat. Tegan & Sara)

Night Terrors of 1927

Maybe you got soft
Flew out the door on the breeze
Maybe you just got lost
On the way back home
On the way back home to me
Maybe weâ€™re just pretending
And maybe I donâ€™t mind
So, now that itâ€™s ending
I donâ€™t wanna know
Was it all a waste of time?
Itâ€™s the end of the world
Itâ€™s the last taste of wine

When you were, when you were
When you were mine, you were lost
I was blind and we swore it was time
When you were, when you were
When you were my waste of time

Waste of time

So, I wrote one more story
I just donâ€™t know how it ends
About all the boys youâ€™re seeing
The ones that you
That you call your friends
This nightmare keeps repeating
Weâ€™ll never get to the end
Of this fire weâ€™re feeding
The hottest love has the coldest end
From the start of it all to the end of the line

Waste of time, waste of time,
Waste of time, waste of time.

From the start of it all to the end of the line
