

# Baby's Coming Back To Me

Jarvis Cocker

Outside there's children laughing  
The radio plays my favourite song  
The sun is shining  
Oh and peace broke out in the world  
And no-one says a cruel word  
And peace is the sweetest sound I've ever heard And baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming home She was just sleeping somewhere  
Now she's come back to hold my hand  
And we go walking  
And the years have all melted away  
Yeah I remember you like yesterday  
And the summer's here so say goodbye to rain And baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming home I feel like I am surely dreaming  
How can things oh-so-quickly change?  
Well, it's strange but true  
I'm telling you truthfully, see: That baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming home Oh, baby's coming back to me  
Yeah, baby's coming back to me  
Yeah, baby's coming back to me  
My baby's coming home
