No Matter What

Deon Kipping

you are my strength when I am weak
so without you where would I be
I'll let nothing separate me from you
and because you love me
I am forever indebted to you
through the storm and the rain
I will praise your name
no matter what
no matter what
Lord you knew who I would be
I am grateful you still love me
no matter what--------- through the fire I will praise your name
no matter whatNo matter
no matterrr
no matter whatyou're healed
you're healed no matter what
X2
believe
believe
I believe no matter what
