Perfect World

Secret Weapons

Stand straight, walk tall
Be brave, last call, go look
The open ocean, the locomotion
The love is goneRegrets, phone calls
Tear drops, stone walls
Some say a magic moment
Can keep it goingIf we were in a perfect world
If we were in a perfect world
I'd make it so you won't get hurt
You try and stop me
Telling me don't walk away
Telling me don't walk away
Turn away, watch it fall
Each brick from the house we love
You said a magic moment
Can keep it going
But you were wrongSo quarantine your love
Cause the pain was hard to hold
Oh quarantine your love
For the second time in a row
It was for good and it felt rightIf we were in a perfect world
If we were in a perfect world
I'd make it so you won't get hurt
You try and stop me
Telling me don't walk away
Telling me don't walk away
If we were in a perfect world
If we were in a perfect world
I'd make it so you won't get hurt
You try and stop me
Telling me don't walk away
Telling me don't walk awayTurn away, watch it fall
Each brick from the house we love
You said a magic moment
Can keep it going, keep it going
Keep it going, keep it goingIf we were in a perfect world
If we were in a perfect world
I'd make it so you won't get hurt
You try and stop me

Telling me don't walk away
Telling me don't walk awayIf we were in a perfect world
If we were in a perfect world
I'd make it so you won't get hurt
You try and stop me
Telling me don't walk away
Telling me don't walk awayTelling me don't walk away
Telling me don't walk awayTelling me don't walk away
Telling me don't walk away
