Saturation

Zoot Woman

What am I doing, what will I see
An opportunity that isnÊ¼t for me
I canÊ¼t take my eyes off you
Take my eyes off you
Give your eyes my view for a second
IÊ¼m caught up in you appearing so free
Everything else I can take or leave
IÊ¼ve tried to define IÊ¼m making no sense
CanÊ¼t stand by and wait for the consequence
I can be anything that you want
I can dream of the dreams that you want
Saturate every part of your life
Would you want it any other, other way
What am I doing, what will I see
An opportunity that isnÊ¼t for me
I canÊ¼t take my eyes off you
Take my eyes off you
Give your eyes my view for a second
I can be anything that you want
I can dream of the dreams that you want
Saturate every part of your life
Would you want it any other, other way
I canÊ¼t take my eyes off you
Take my eyes off you
Give your eyes my view for a second
