Sex Is Not The Enemy

ï»¿Garbage

No evolution, sometimes it depresses me
The same old same, oh, we keep repeating history
The institution curses curiosity
It's our conviction, sex is not the enemyA revolution is the solution
A revolution is the solutionI don't feel guilty, no matter what they're telling me
I won't feel dirty and buy into their misery
I won't be shamed 'cause I believe that love is free
It fuels the heart and sex is not my enemyA revolution is the solution
A revolution is the solutionTrue love like gold, there's not enough to go around
But then there's God and doesn't God love everyone?
Give me a choice, give me a chance to turn the key
And find my voice, sex is not the enemyA revolution is the solution
A revolution is the solution
Sex is not the enemyA revolution, ooh
