

# Day In Day Out

**Diana Krall**

Day in, day out  
That same old voodoo follows me about  
That same old pounding in my heart, whenever I think of you  
And darling, I think of you, day in and day outDay out, day in  
I needn't tell you how my days begin  
When I awake, I awaken with a tingle, one possibility in view  
That possibility of maybe seeing youCome rain, come shine  
I meet you and to me the day is fine  
Then I kiss your lips and the pounding becomes  
The oceans roar a thousand drumsCan't you see it's love, can there be any doubt  
When there it is, day in, day outDay in, day out  
That same old voodoo follows me about  
That same old pounding in my heart, whenever I think of you  
And darling, I think of you, day in and day outDay out, day in  
I needn't tell you how my days begin  
When I awake, I awaken with a tingle, one possibility in view  
That possibility of maybe seeing youCome rain, come shine  
I meet you and to me the day is fine  
Then I kiss your lips and the pounding becomes  
The oceans roar a thousand drumsCan't you see that it's love, can there be any doubt  
When there it is, when there it is, day in, day out  
When there it is, day in, day out
