

Phoebe Cates

Fenix TX

Don't wanna hang around anyone today
I'm sick of playing the same old games
'Cause I know I can't win them anyway
And I will dream a different lie
Stuck in between her thighs
And wonder just when I will meet her All I really need is someone like Phoebe
Someone to excite my fantasy
And every night I'll dream that she is here with me
And I will be the only one for her And I'm wasting time going blind
Thinking she'll be mine tonight
Wasting time going blind
Thinking she'll be mine I've been in love since the day I saw fast times
It's on a permanent rewind
And can you guess my favorite part
I used to like tossing off to her pool scene
Now I'm kissing TV screens
She's the only star who's touched my heart on All I really need is someone like Phoebe
Someone to excite my fantasy
And every night I'll dream that she is here with me
And I will be the only one for her and I'm Looking for a fast time
Watching out for bright lights
Send me off to private school
When I'm with you it's paradise Looking for a fast time
Watching out for bright lights
Send me off to private school
When I'm with you it's paradise When I'm with you it's paradise
When I'm with you it's paradise
When I'm with you it's paradise All I really need is someone like Phoebe
Someone to excite my fantasy
And every night I'll dream that she is here with me
And I will be the only one for her And I'm wasting time going blind
Thinking she'll be mine tonight
Wasting time going blind
Thinking she'll be mine tonight Wasting time going blind
Thinking she'll be mine tonight
Wasting time going blind
Thinking she'll be mine tonight
