Rockhouse

Roy Orbison

Blue light, big crowd
Jukebox plays loud
No fear, no care
Everybody's rockin' everywhere
Rockhouse, rockhouse, rockhouse
We're goin' to the rockhouse
Well rock it in the mornin'
Rock it in daylight
Rockin' through the evening
And I won't be home at night
Rockhouse, we're goin' to the rockhouse
Rock-a-rockhouseHeartache, you lose
No trouble, no booze
Come one, come all
Well rock it up and have a ball
Rockhouse, rockhouse, rockhouse
We're goin' to the rockhouse
