## Frankie Knuckles

I don't need no man to make me understand  
What I'm livin' for is waiting on the dancefloor  
I don't know 'bout you, but I know what to do  
All I need is room to show you what i'm living forBABY, BABY, BABY, BABY!Workout - in the mornin'  
Workout - in the evenin'  
Workout - take me higherWorkout - do it baby  
Workout - make me crazy  
Workout - lift me higherHere's the way it goes and baby you should know  
All I'm livin for is waiting on the dancefloor  
Rhythm is my life, the music makes me high  
Look into my eyes, it'll should me what you're living for  
If you wanna party  
And you wanna party  
Do you wanna party with me?
