(That's What the DJ says)

Oh y'all might die tonight

This is your party right?

Live it up the drink is on me

All y'all not gettin' home?

Live it up to the break of dawn

Live it up the drink is on me

That's what the DJ says

Last night a DJ saved my life

He was mixing no apologies with up all night

I'm a lion in the jungle with an appetite

Ladies love me 'cuz I cut 'em like a sammuri

Alright

Don't fold up

But I just don't want it

Ike's on my wrist cuz I buy nine hundred

Don't mind me I just want my money

So hungry you should hear my stomach

Oh Lord I just wanna eat

Be me Z more(?)

Who got beef

Watch what you say if you want you're teeth

(Cause)

(It's what the DJ says)

Oh y'all might die tonight

Live it up the drink is on me
