Gang of Four

Items, daily press, views to suppress
Subject, story on the front page: "Suffering from suffrage"
Title: "Unsung heroines of Britain: Position to attain"
"Housewife heroines: Addicts to their homes" It's her factory
(It's a factory)
It's her duty
(It's her factory)
It's her factory
(It's a factory) Paternalist journalist
He gives them sympathy because they're not men
Scrubbing floors, they're close to the earth In a man's world, they're not men
In a man's world, because they're not men
In a man's world, because they're not men In a man's world, because they're not men
In a man's world, because they're not men
In a man's world, in a man's world A little of a lot keeps them happy
Avoid the answers but keep them snappy
That's all
