

How Do You Do (HQ Sound)

Roxette

I see you comb your hair and gimme that grin
It's making me spin now, spinnin' within
Before I melt like snow, you say "hello, how do you do!"
I love the way you undress now, baby begin
Do your caress, honey, my heart's in a mess
I love your blue-eyed voice, like Tiny Tim shines through
How do you do!

Well here we are cracking jokes in the corner of our mouths
And I feel like I'm laughing in a dream
If I was young I could wait outside your school

Cause your face is like the cover of a magazine
How do you do, do you do, the things that you do

No one I know could ever keep up with you
How do you do, did it ever make sense to you
To say bye, bye bye I see you in that chair with perfect skin
Well how have you been baby, livin' in sin?

Hey I gotta know, did you say hello, how do you do?

Well here we are spending time in the louder part of town
And it feels like everything's surreal

When I get old I will wait outside your house

Cause your hands have got the power meant to heal
How do you do, do you do, the things that you do

No one I know could ever keep up with you
How do you do, did it ever make sense to you
To say bye, bye bye
