Blind

Mary Mary

Your love is
(Blind)
Blind
(Blind)
Oh, oh, oh, oh, oh, oh
And you got it, you got it
You got it for me
Your love is
(Blind)
Blind
(Blind)
Oh, oh, oh, oh, oh, oh
And you got it, you got it
For everybody, Your love is
Marked it down the street, turned to sender
Usually I'm real quick to trash what I don't like
And won't look twice
When it comes to love, it's no different
Hurt me once and it could be ending
No more tries, I'll say goodbye
But You're not like me, You see past me
And constantly forgive
Again, again and again
Your love is
(Blind)
Blind
(Blind)
Oh, oh, oh, oh, oh, oh
And you got it, you got it
You got it for me
Your love is
(Blind)
Blind
(Blind)
Oh, oh, oh, oh, oh, oh
And you got it, you got it
For everybody, Your love is
How can someone owns the planet
Everything in it and around it

Want my heart, with all its scars
Full of stains and sometimes like garbage
Fit to be torn up and discarded
How could I stand in Your sights?
But you're not like me, You see past me
And constantly forgive
Again, again and again
Your love is
(Blind)
Blind
(Blind)
Oh, oh, oh, oh, oh, oh
And you got it, you got it
You got it for me
Your love is
(Blind)
Blind
(Blind)
Oh, oh, oh, oh, oh, oh
And you got it, you got it
For everybody, Your love is
Patient and faithful
It's unconditional, it's unconditional
More than any love I've known
I'm grateful, so thankful
This is incredible
Where would I be without Your love?
Your love is
(Blind)
Blind
(Blind)
Oh, oh, oh, oh, oh, oh
And you got it, you got it
You got it for me
Your love is
(Blind)
Blind
(Blind)
Oh, oh, oh, oh, oh, oh
And you got it, you got it
For everybody, oh, yes, You do
