

Ready or Not (Klaas Radio Edit) [feat. U-Jean]

R.I.O.

Hey all the pretty ladies, get it down on the floor
We're gonna rock this club like never before
You and me rockin' down the line
We party non-stop, have a good time
All the booties swing, hot shawty's on fire
Fellas on the floor, raise your glasses for more
L.O.L. We're laughing out loud
S.O.S. For my hangover crowd
Hey doctor DJ drop it down low
We're the party shakers ready to go
Hey all the pretty ladies, get it down on the floor
We're gonna rock this club like never before
So ladies put your hands up, hands up
Touching the sky
Now put your hands up, hands up
Ready or not
Hey all you sexy shawties let's get ready tonight
I'm heatin' up the club let's have a good time
So ladies put your hands up, hands up
Touching the sky
Now put your hands up, hands up
Ready or not, let's go!
Oh

Popping bottle sip champagne scenes
While others the girls go mad, have a
Sex on the Beach
The party's hot, get ready to roll
They just gettin' loose, let it go
blast the roof
