Blew

John Kelman

An' if you wouldn't mind, I would like it blew
An' if you wouldn't mind, I would like it lose
An' if you wouldn't care, I would like to leave
An' if you wouldn't mind, I would like to breathe
Is there another reason for your stain?
Could you believe who we knew stress or strain?
Here is another word that rhymes with shame
An' if you wouldn't mind, I would like it blew
An' if you wouldn't mind, I would like it lose
An' if you wouldn't care, I would like to leave
An' if you wouldn't mind, I would like to breathe
Is there another reason for your stain?
Could you believe who we knew stress or strain?

Here is another word that rhymes with shame
Is there another reason for your stain?
Could you believe who we knew stress or strain?
Here is another word that rhymes with shame
You could do anything
You could do anything
You could do anything
You could do anything
You could do anything
You could do anything
You could do anything
You could do anything
