Into The Fire

Vinai

They call it magic, they call it tragic,
but they don't know this thing we got
We're in the fast lane a runaway train,
And we never gonna stop
and we run like the wolves run like the wolves run like the wolves
But it's the only thing we've gotI've been thinkin' bout you
Got a hold on me
Yeah
I'm just tryna break thru
All these people round me
Tryna set me free,
but Lord knows I will follow you
Into the Fire
Into the Fire
All these people round me
Tryna set me free,
but Lord knows I will follow you
Into the Fire
Into the FireI'm a believer call me a dreamer,
but I got diamonds in my eyes
Don't need a saviour if I'm in danger
Well I'ma stay right here tonight
and we run like the wolves run like the wolves run like the wolves
'Cause you're always on my mindI've been thinkin' bout you
Got a hold on me
Yeah
I'm just tryna break thru
All these people round me
Tryna set me free,
but Lord knows I will follow you
Into the Fire
Into the Fire
All these people round me
Tryna set me free,
but Lord knows I will follow you
Into the Fire
Into the Fire
