Drown In My Own Tears

The Derek Trucks Band

It brings a tear, ahh to my eyes
When I'll be dead, realize
I've cried so much, since you've been gone
Yes I'm gonna drown, drown in my own tearsI'll sit cry, just like a baby child
My pouring tears, keep on running wild
If you don't think, oh that you'll be home soon
Yes I'm gonna drown, oh in my own tearsI know its true, into each life
Oh some rain, must surely fall
I'm so blue, living hear without you
It keeps on raining, more and more and more and moreWell I know it's true, into each life
That some rain, ahh must surely fall
And I'm so blue, living here without you
It keeps on raining, more and more and more and moreWhy don't you, think you better come on home now
So I won't, won't be left here all alone
If you don't think, lord that you'll be home soon
Yes I'm gonna drown, oh don't let me drownI'm a wake up in the morning I'm a drown
Everyday and every night, sometime in the midnight hour
Everyday and every afternoon
Oh please don't let me drown
No don't let me drown
Lord don't let me drown
Don't let me drown
Oh yeah
Ah ha
Talk to me baby
Oh I look like I'm gonna drown, oh in my own tears
Yeah hmmm
