

# Oh Where

[Sam Amidon](#)

Wake up, Wake up, little Maggie  
How can you sleep so sound?  
When the highway robber's a-coming  
Gonna tear your place down Oh where is my little darling?  
The girl I love so dear  
She's gone away and left me  
And courted another one And I got drunk in the city  
I stumbled out her door  
And threw her arms around me  
She bid me come back no more  
Oh where is my little darling?  
The girl I love so dear  
She's gone away and left me  
And courted another one
