Wazz up? Wazz up? Wazz up?  
That's the beat and we're repeatin'  
Wazz up? Wazz up? Wazz up?  
That's the beat and we're repeatin' The ladies, they'll know where the party at  
D dance on the floor and now we stuck with that  
Step up the game show, my girl act Ladies, you can steal Rocker feeder cap  
Jeans, sneakers and a fresh top to match  
Don't be ashamed, go ahead and wear that Hey, hey, hey, this sound cool, girl, go play  
We're doin' it out of our way and that's how it's gonna stay  
Hey, hey, hey, this sound cool, girl, go play  
We're doin' it out of our way and that's how it's gonna stay All the ladies on the floor and all your fellas  
Wazz up?  
Twist your body like Tarantula  
Wazz up?  
Keep 'em dancing through the night  
Wazz up?  
That's the beat and we're repeatin' All the ladies on the floor and all your fellas  
Wazz up?  
Twist your body like Tarantula  
Wazz up?  
Keep 'em dancing through the night  
Wazz up?  
That's the beat and we're repeatin' The fellas on the floor doin' backspin'  
Go, go for your's mine as the actin'  
Don't be starin' at the back wing flashin' Your fellas hit the floor when the wax spins  
We keep with that audio passion  
A taste of our new sun fashion Hey, hey, hey, this sound cool, girl, go play  
We're doin' it out of our way and that's how it's gonna stay  
Say, hey, hey, hey, this sound cool, girl, go play  
We're doin' it out of our way and that's how it's gonna stay All the ladies on the floor and all your fellas  
Wazz up?  
Twist your body like Tarantula

Wazz up?  
Keep 'em dancing through the night  
Wazz up?  
That's the beat and we're repeatin' All the ladies on the floor and all your fellas  
Wazz up?  
Twist your body like Tarantula  
Wazz up?  
Keep 'em dancing through the night  
Wazz up?  
That's the beat and we're repeatin' Well, well we all know it is  
It is the way we Tarantula twist  
We spin around you till we gettin' dizzy  
We got the whole place steaming like a boiler pack I get you not so I'm by the style we got  
It got the boys crumpling up with the questioning  
If they ask me I give them a lesson  
'Cause all we a dance like it's a profession to do the hop All the ladies on the floor and all your fellas  
Wazz up?  
Twist your body like Tarantula  
Wazz up?  
Keep 'em dancing through the night  
Wazz up?  
That's the beat and we're repeatin' All the ladies on the floor and all your fellas  
Wazz up?  
Twist your body like Tarantula  
Wazz up?  
Keep 'em dancing through the night  
Wazz up?  
That's the beat and we're repeatin'
