Gold

KIDZ BOP Kids

Gold up in my, gold up in my teeth (gold up, gold up in my teeth
Don't care what you say to me, I'ma bite the feelings out (gold up in my teeth)
I missed it in the basement (gold up in my teeth)
Running on the pavement (gold up in my teeth)
And if you love me, love me but you never let me go
When the roof is on fire, you never let me know
Say you're sorry honey, but you never really show
And I could leave the party without ever letting you know
Without ever letting you knowWithout ever letting you know
Without ever letting you knowGold up in my, gold up in my teeth (gold up, gold up in my teeth)
Tastes like money when I speak (gold up, gold up in my teeth)
And I missed it in the basement (yeah, gold up in my teeth)
Running on the pavement (oh, gold up in my teeth)And if you love me, love me but you never let me go
When the roof is on fire, you never let me know
Say you're sorry honey, but you never really show (gold up in my teeth)
And I could leave the party without ever letting you know
Without ever letting you knowWithout ever letting you know
Without ever letting you knowGold up in my, gold up in my teeth (gold up, gold up in my teeth)
Taste like money when I speak (gold up, gold up in my teeth)
And I missed it in the basement (yeah, gold up in my teeth)
Running on the pavement (oh)And if you love me, love me but you never let me go
When the roof is on fire, you never let me know
Say you're sorry honey, but you never really show (gold up in my teeth)
And I could leave the party without ever letting you know
Without ever letting you knowWithout ever letting you know
Without ever letting you know
Without ever letting you know
Without ever letting you know
