ArlecchinoI'm harlequin
Take off the mask
In the feast of the night
I'm going to appearDancing with you in the labyrinth
All through the night
In the wild hunt
And chasing your fearI am a devil in hell
Dante could tell
I am one of thirteenHarlequin, jester of hellHarlequin

ArlecchinoI am the hellequin
My mask is red and black
I'm the sneaking devil
The emissaryI bring you to the play
Into the masquerade
I am the devil
I am the winter dreamYou are ensnared in the harlequinade

Yes, ride the bull on Saturday night
Wear triangular patches in the comedy
Hail, Capricorn and the fairy queenWear the black mask of Arlecchino
Join the wild hunt and enter Saturn
Hail the elf-kingI'm harlequin
Take off the mask
In the feast of the night
I'm going to appearDancing with you in the labyrinth
All through the night
In the wild hunt
And chasing your fearI am a devil in hell
