Everyday

Everyday
Ooh
Everything I ever hear you say I know
I feel, ooh yeah
Ooh yeah yeah
No more time left to think about it
Been so long now I've been without it
Always moving, gotta reach the other side
Now I know how hard it could become
Don't let it show, no never assume that
I don't realize
Gotta say what's on my mind
Gotta leave it all behind
Gotta say this straight to you
'Cos no longer can I hide
Everyday that I'm without you all I see
Everywhere another reason to believe
Everything you never hear me say you know
I feel, ooh yeah
Every time I close my eyes you're on my mind
Everyday and night
I don't wanna be alone but everyday I let you go
Another time
Yeah
On my own, my thoughts are playing
With all the things that you've been saying
You say you're sorry for the things that you've done to my life, yeah, yeah
I never know where it is that you came from
Don't wanna miss a thing but maybe it's already gone
Ooh yeah
Gotta say what's on my mind
Gotta leave it all behind
Gotta say this straight to you
'Cos no longer can I hide
Everyday that I'm without you all I see
Everywhere another reason to believe
Everything you never hear me say you know
I feel, ooh yeah
Every time I close my eyes you're on my mind

Everyday and night
I don't wanna be alone but everyday I let you go
Another time
So do what you gotta do
You're just not doing it to me, no, no
Be what you gotta be
I won't be here to see you
Go where you gotta go
Just get away from me
I don't wanna be alone
But I know
Gotta say what's on your mind
Gotta leave it all behind, ooh yeah
Everyday that I'm without you all I see
Everywhere another reason to believe
Everything you never hear me say you know
I feel, ooh yeah
Every time I close my eyes you're on my mind
Everyday and night
I don't wanna be alone but everyday I let you go
Another time
Everyday that I'm without you all I see
Everywhere another reason to believe
Everything you never hear me say you know
I feel, ooh yeah
Every time I close my eyes you're on my mind
Everyday and night
I don't wanna be alone but everyday I let you go
Another time
Everyday that I'm without you all I see
Everywhere another reason to believe
Everything you never hear me say you know
I feel, ooh yeah
