Tomorrow Belongs to Nobody

Carcass

Let's goYour kingdom is of emptiness
Invisible empire of illusion
There's no majesty in your empty words
Your ideology, self delusionRevisionism is the future
So let's hail the same old dawn
Kneel before the same old order
You're no kings, only pawnsYou're waiting for tomorrow
Tomorrow never comes
Ha, you're waiting for your new dawnSo sad to say there isn't one
Because, tomorrow belongs to nobody
Tomorrow belongs to nobodyHa, you're waiting for tomorrow
Tomorrow never comes
Ha, you're waiting for your new dawnSo sad to say there isn't one
You fools tomorrow belongs to nobody, to no one
Tomorrow belongs to nobody
