

# Lose Myself (feat. Lynn Gunn)

## Seven Lions

Under rocks of memories,  
Underneath desire,  
I found what I'm missing in your fireUp above the skyline,  
High above the lights  
You become the echo of my lifeOoh oh oh, I wanna lose myself inside you  
Ooh oh oh, I couldn't let you go if I tried toYou fly me so high,  
I look down below  
The shadow of night hides  
The way that we glow  
Ooh oh oh, I wanna LOSE MYSELF inside you(x2)  
Oh oh oh, just keep breathing, just keep breathing  
Oh oh oh, all these feelings, all these feelingsYou fly me so high,  
I look down below  
The shadow of night hides  
The way that we glow  
Ooh oh oh, I wanna LOSE MYSELF inside you
