

# New Young Residents

## Bluetip

Had a dream that I found  
extra rooms in my house  
on the day I was to move out  
and it kinda made me not want to leave  
with a dusty smile  
they offer up their space  
such a shame to find them on the day  
the new young residents moved in

Woke up afraid I may not be living  
up to my potential. I go to bed  
more afraid that I maybe I am  
I get envious

It's hard to recognize  
the beauty of some things  
until I see them  
framed by another's hands  
that's how covetous I am

Woke up enraged  
I may not be getting all that I deserve  
found yesterday's forgotten lesson  
left on the bed asleep knowing that life  
owes me nothing

Envious I am covetous I am always  
cursing the name  
of the new young residents
