Overcoming Me

Christopher Owens

Overcoming me, I just can't help it and it must be plain to see
Why would I fight it, no I'm gonna let it be
I kinda love the way you're overcoming me
I walk around with my head down, I walk around looking at the ground
Down and out like a ragged dog, I wonder if she's really gonna call
I make believe she wants to see me, I make believe she really cares - I'm such a fool
I take it in you know I take it all, you can get me up you can make me fall
Fall down to the dirty ground, dirty boy take a look around.
I really gotta get my shit together, I really thought it was forever - I'm such a fool
Overcoming me, I just can't help it and it must be plain to see
Why would I fight it, no I'm gonna let it be
I kinda love the way you're overcoming me
I still can't get enough of you
I know it is wrong, I know its true
What can I say, what can I do
How can I forget about you
I mean I gave you all my love
