

T Dj

Freezepop

T dj

T djsomepeople ride the T

they ride it every day

sometimes they get to see

the famous T djthe music's in the air

sometimes it's in his mind

with bleach-blond afro hair,

he's not too hard to findT dj, he does alright

he makes us dance on a friday night

drives the green line with his groove

he can make all the people moveT dj

T djsome people ride the T

they ride it straight or gay

nothing but drum beats matter

to the T dja big collection of

gay pride pins on his vest

trains are his obsession

T dj is the bestT dj, he does alright

he makes us dance on a friday night

drives the green line with his groove

he can make all the people moveT dj, he does alright

he makes us dance on a friday night

drives the green line with his groove

he can make all the people move

T dj, he does alright

he makes us dance on a friday night

drives the green line with his groove

he can make all the people moveT dj

T djsomepeople ride the T

they ride it every day

sometimes they get to see

the famous T dja big collection of

gay pride pins on his vest

trains are his obsession

T dj is the bestT dj, he does alright

he makes us dance on a friday night

drives the green line with his groove

he can make all the people move

he can make all the people move

he can make all the people move
