

Tears Rolling Up Our Sleeves

Paul Westerberg

People swear opposites attract
I don't care about that
Is it fiction or fact We're identically sad
We're got tears rolling up our sleeves
Nobody here's putting us at ease Is it fiction or fact
We're identically sad Never a moon on water shone
You do here We're got tears rolling up our sleeves
We're got tears rolling up our sleeves
Pregnant for minutes
And bored for hours
Not soon enough He'll be ours
Is it fiction or fact
We're identically sad
To be with him for just one night
Would you throw away Your whole damn life
Never a moon on waterworks
Just you and me
We're got tears rolling up our sleeves
