One for Me

The Pierces

One for the lover and one for the lost
Oh the price of sin
One for the sinner and one for the love
I'm inOne for tomorrow
And one for the life I've led
One for the sorrow
And one for the love in my bedAnd one for me
And one for me
And one for meOne for the giver and one for the take
And the guilty head
One for the woman and one for the snake
Who is deadOne for the mother
And one for the child to begin again
One for the meek
And one for the mild who give inAnd one for me
And one for me
And one for meThree steps forward
Two steps back
For one more I keep onOne for the liar and one for the trust
Ignorant bliss
One for the metal and one for the rust
To resistAnd one for me
And one for me
And one for me
