## Sonic Youth

[kim]

Spinning dreams with angel wings  
Torn blue jeans + a foolish grin  
Burning down in the night  
So cool + so right  
Starpower starpower starpower  
Over me

She knows how to make love to me  
She knows how to make love  
Close my eyes and think of you  
Everything turns black to blue  
Starpower starpower starpower  
Over me Burning down in the night  
Supercool it's alright

She knows how to make love to me  
She knows how to make love  
Close my mind when I think of you  
Everything turns black to blue  
Starpower starpower starpower  
Over me
