Another Step

Uphill Battle

The iron curtain has been lifted just today
after war is finally over, a faction finds its way
the KGB is evil, tanks are running over people
can't you see?
This country's on a ship
navigating to a failing destiny...

THEY'RE NOT AFRAID TO, AND WON'T HESITATE TO
TAKE IT UP ANOTHER STEP, TAKE IT UP ANOTHER STEP
THOUGHT OLD IDEALS WERE GONE BUT WE WERE WRONG
NOW WE SEE IT HASN'T LEFT, NOW WE SEE IT HASN'T LEFT
ANOTHER STEP!!!
