

I Think I Love You

Kaci

Do you think you love me? Ooh we
Do you think you love me? Ooh we
Do you think you love me? Ooh we
Do you think you love me? Ooh we I think I love you I'm sleeping and right in the middle of a good dream
Then all at once I wake up
From something that keeps knocking at my brain
Before I go insane I hold my pillow to my head
And spring up in my bed
Screaming out the words I dread
"I think I love you!"
(I think I love you) This morning, I woke up with this feeling
I didn't know how to deal with
And so I just decided to myself
I'd hide it to myself And never talk about it
And did not go and shout it
When you walked into the room
"I think I love you!"
(I think I love you) I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for I think I love you
Isn't that what life is made of?
So it worries me to say
I've never felt this way Believe me, you really don't have to worry
I only want to make you happy
And if you say, hey, go away, I will
But I think better still I'd better stay around and love you
Do you think I have a case?
Let me ask you to your face
Do you think you love me? I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for I think I love you
Isn't that what life is made of?
So it worries me to say
I've never felt this way I don't know what I'm up against
(No)
I don't know what it's all about
(Oh, no)

I've got so much to think about
(Think about) Hey, I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for I think I love you
Isn't that what life is made of?
So it worries me to say
I've never felt this way I think I love you
So what am I so afraid of?
I'm afraid that I'm not sure of
A love there is no cure for I think I love you
Isn't that what life is made of?
So it worries me to say
I've never felt this way
