You Give Me Something

Nato

You want to stay with me in the morning
You only hold me when I sleep
I was meant to tread the water
Now I've gotten in too deep
For every piece of me that wants you
Another piece backs away'Cause you give me something
That makes me scared, alright
This could be nothing
But I'm willing to give it a try
Please give me something
'Cause someday I might know my heartYou already waited up for hours
Just to spend a little time alone with me
And I can say I've never bought you flowers
I can't work out what they mean
I never thought that I'd love someone
That was someone else's dream'Cause you give me something
That makes me scared, alright
This could be nothing
But I'm willing to give it a try
Please give me something
'Cause someday I might call you from my heartBut it might me a second too late
And the words that I could never say
Gonna come out anyway'Cause you give me something
That makes me scared, alright
This could be nothing
But I'm willing to give it a try
Please give me something'Cause you give me something
That makes me scared, alright
This could be nothing
But I'm willing to give it a try
Please give me something
'Cause someday I might know my heart
Know my heart, know my heart, know my heart
