

# The Champion

Adam Sandler

Gaze upon the stake, flames will soon start to embrace  
Condemned, auto da fe, she's about to fall from grace  
In the land of the rising sun, shadows are falling again  
The die is cast, the future and past coming to her at last Oh, oh, oh  
All she needed was a champion  
Oh, oh, oh  
Crying for a savior to fight for her life Behold, the freedom cries by the dying of the light  
Too late to justify for vindication upon this night  
In the land of the rising sun, shadows are falling again  
From out of nowhere a rider declared to answer her final prayer Oh, oh, oh  
He stood up to be the champion  
Oh, oh, oh  
He became the savior that fought for her life Face to face, eye to eye  
The savior fought to save her pride  
Far beyond the starlit skies  
The encounter went on Gaze upon the stake as the flames start to embrace  
A life, an act of faith, long-lost gone without a trace  
In the land of the rising sun, shadows are falling again  
The die is cast, for the future and past came for her at last Oh, oh, oh  
All she needed was a champion  
Oh, oh, oh  
Crying for a savior to fight for her Oh, oh, oh  
He stood up to be the champion  
Oh, oh, oh  
He became the savior that fought for her life For her life, she may need a champion  
For her life
