Red Book

Chris Weisman

Days, they surround you through the day
Words imprison you they say
Maybe there was something you can do
I look around there's no resisting truthJust breathe it out
And find out what you're lookin' for
Yeah, breathe it out
And find out what you're lookin' for
Just leave it now
And let your mind roam freeHelp me get you through the night
Hush and listen to the quiet
Tell me, if there's somethin' I can do
Trust in me, don't be misunderstoodJust breathe it out
And find out what you're lookin' for
Yeah, breathe it out
And find out what you're lookin' for
Just leave it now
And let your mind roam freeJust breathe it out
And find out what you're lookin' for
Yeah, breathe it out
And find out what you're lookin' for
Just leave it now
And let your mind roam freeJust breathe it out
And find out what you're lookin' for
Yeah, breathe it out
And find out what you're lookin' for
Just leave it now
And let your mind roam freeTurn another page in the Red Book
Then you'll see
Turn another page in the Red Book
Then you'll see
Turn another page in the Red Book
Then you'll see
