Getting Closer

Kylie Minogue

1: You caught my eye
I'm looking at you baby
The way you let your body move me
You look so fine
Come a little closer
I know that we can do it
I feel that we can make it
I feel you getting closer
Minute by minute by minute Ohh-ohhCHORUS: Day by day and night by night
I feel you getting closer
Bit by bit and move by move
I feel you getting closer
Minute by minute (by minute)2: If you were mine
I'd never want another
'Cause you're doing something to me
If it takes all night
For us to be together
You're love is worth the waiting
I feel it growing stronger
I feel know it's getting closer
Minute by minute Ohh-ohhCHORUS: (x 2)
BREAK: CHORUS: (repeat & fade)
