Drop Dead

Obituary

To each his own, drop dead!
Death toll declined!
Rise up! fear not! like the wake from inside!To each his own, feel dead!
Descend from sky!
Rise up!
Get slaughtered!
Kill all within with...I can't hear you!
I can't hear you!...More time! rise up for me!
Stand down, right now!
Feel your eyes, in my, head!I can't hear you!To each his own, drop dead!
Death toll declined!
Rise up! fear not! like the wake from inside!I can't hear you!To each his own, feel dead!
Descend from sky!
Rise up!
Get Slaughtered!
Kill all within with...I can't hear you!
