The Hybirds

Been given 24 hours to tie up loose ends to make amends
His eyes said it all, I started to fall
And the silence deafened head spinning round, no time to sit down
Just wanted to run and run and run
Be careful, they say don't wish life away, now I've one day
And I can't believe, how I've been wasting my time
In 24 hours, they'll be laying flowers on my life
It's over tonight, I'm not messing, no, I need your blessing
And your promise to live free, please do it for me
Is there a heaven, a hell and will I come back who can tell
Now I can see what matters to me
It's as clear as crystal, the places I've been, the people I've seen
Plans that I made start to fade
The sun's setting gold, thought I would grow old, it wasn't to be
And I can't believe, how I've been wasting my time
In 18 hours, they'll be laying flowers on my life

It's over tonight, I'm not messing, no, I need your blessing
And your promise to live free, please do it for me
In 13 hours, they'll be laying flowers on my life
It's over tonight, I'm not messing, no, I need your blessing
And your promise to live free, please do it for me
I'm not alone, I sense it, I sense it
All that I said, I meant it, I meant it
And I can't believe, how much I've wasted my time
In just 8 hours, they'll be laying flowers on my life
It's over tonight, I'm not messing, no, I need your blessing
And your promise to live free, please do it for me
In just 1 hour, they'll be laying flowers on my life
It's over tonight, I'm not messing, no, I need your blessing
And your promise to live free, please do it for me
