Couldn't Care Less

Blackmail

I couldn't care less if you don't love me
I couldn't care less if you don't want me
But I gotta confess that when you abandoned my heart
You know you tore it apartI guess I'm okay now in every way
I manage somehow since you went away
To find yourself I hope you do
'Cause now, now we are throughI couldn't care less if you don't love me
I couldn't care less if you don't want me
But I gotta confess that when you abandoned my heart
You know you tore it apartI've got my strength back to go on with my life
The nights are getting shorter now
And days are passing by and God knows I cried
But now I know I'm finally over youI couldn't care less if you don't love me
I couldn't care less if you don't want me
But I gotta confess that when you abandoned my heart
You know you tore it apartNow the loneliness is gone, it's time to move on
'Cause I know that I will make it on my own
'Cause I can smile again, it's more than I could then
It's funny how time can heal a heartI couldn't care less if you don't love me
I couldn't care less if you don't want me
But I gotta confess that when you abandoned my heart
You know you tore it apartCouldn't care less if you don't love me
I couldn't care less if you don't want me
But I gotta confess that when you abandoned my heart
You know you tore it apart
