

The Shape Of Things To Come

Ramones

There's a new sun
Risin' up angry in the sky
And there's a new voice
[Incomprehensible] "We're not afraid to die" Let the old world make believe
It's blind and deaf and dumb
But nothing can change the shape of things to come There are changes
Lyin' ahead in every road
And there are new thoughts
Ready and waiting to explode When tomorrow is today
The bells may toll for some
But nothing can change the shape of things to come The future's comin' in now sweet and strong
Ain't no-one gonna hold it back for long There are new dreams
Crowdin' out old realities
There's revolution
Sweepin' like a fresh new breeze Let the old world make believe
It's blind and deaf and dumb
But nothing can change the shape of things Nothing can change the shape of things
Nothing can change the shape of things
Nothing can change the shape of things to come
