All Lit Up In Love

David Lee Murphy

(david lee murphy)
When I saw you comin' honey
I could tell
Life's really been treatin' you well
There's a change
A burnin'bright
I'm seeing you in a different light
'cause you're
All lit up in love
Like the lights of heaven above
I've never seen you look so good
All lit up in love
You never told me honey
I was blind
You never said I'd wake up and find
That somebody'd come and
Take my place

But it's written all over your face
'cause you're
All lit up in love
Like the lights of heaven above
I've never seen you look so good
All lit up in love
Wish I'd been the one to put that sparkle in your eyes
To see that glow about you girl,it's a look I recognize
'cause you're
All lit up in love
Like the lights of heaven above
I've never seen you look so good
All lit up in love
'cause you're
All lit up in love
Like the lights of heaven above
I've never seen you look so good
All lit up in love
