

Under A Floorboard World

Queen Adreena

i got your secret
and i sure ain't gonna keep it
i've got your secret
and i sure ain't gonna keep it
i'm in the know
and i sure do mean to reap it
i got your secret
and i sure ain't gonna keep it
under a floorboard world
under a floorboard world
ooh, oOoh
i got your secret
and i sure ain't gonna keep it
i got your secret
and i sure ain't gonna keep it
i'm in the know
and i sure do mean to reap it!
i got your secret
and i sure ain't gonna keep it
under a floorboard world
under a floorboard world
under a floorboard world
under a floorboard world
ooh, oOoh...
