

Children Of The Revolution

[Marc Bolan](#)

YeahWell, you can bump and grind, it is good for your mind

Well, you can twist and shout, let it all hang outBut you won't fool the children of the revolution

No, you won't fool the children of the revolution, no no noWell, you can tear a plane in the falling rain

I drive a Rolls Royce 'cause it's good for my voiceBut you won't fool the children of the revolution

No, you won't fool the children of the revolution, no no no, yeahBut you won't fool the children of the
revolution

No, you won't fool the children of the revolutionNo, you won't fool the children of the revolution

No, you won't fool the children of the revolution, no way, yeah, wow
