

Sweet Leilani (1940 Single)

[Bing Crosby](#)

Sweet Leilani
Heavenly flower
Nature fashioned roses kissed with dew
And then she placed them in a bowerIt was the start of you
Sweet Leilani
Heavenly flower
I dreamed of paradise for twoYou are my paradise completed
You are my dream come trueSweet Leilani
Heavenly flower
Tropic skies are jealous as they shine
I think they're jealous of your blue eyesJealous because you're mine
Sweet Leilani
Heavenly flower
I dreamed of paradise for twoYou are my paradise completed
You are my dream come trueYou are my paradise completed
You are my dream come true
